Date:

At Sacred Heart Catholic Primary School we aim to be a place where love of one's neighbour is obvious at all times.

Our mission is:

“Pray, Reflect, Learn and Grow, to Mirror the Love of Jesus.”

One of the most important ways we can work towards this is by listening to our parents and carers, pupils the parish community and visitors.

All our staff have committed themselves to care for and help children in a way which is consistent with the Catholic ethos of our school.

This form allows us to collate your views so that we can continually improve our provision and provide the best possible Catholic Education to our children.

Compliments

You may wish to compliment or praise the work of a teacher or another staff member working with our children.

Compliments are always greatly received so if you are a Parent or visitor and you are happy with our school or have seen/heard something you particularly liked then we would love to hear it so please tell us.

Any written compliments will be recorded and be passed to the appropriate person.

It is helpful for us to know when we are 'getting it right'.

Comments or suggestions

The education and well being of all pupils that attend Sacred Heart Catholic Primary School is very important to us and we are open to comments, question and suggestions.

Your comments and suggestions are welcomed and valued. We record the information you provide and will use it to improve our school.

Please use the form overleaf to write down your Compliments, Comments or suggestions and pass them back to the School Office for the attention of the Principal.

Thank you for taking the time to give us this valuable feedback.
