Dear parents, children, staff, and parishioners,

Half term has finally arrived! You only have to look at the school's facebook page to see the amazing array of learning experiences that the children have enjoyed this half term. Staff have worked tirelessly to provide exciting opportunities for the children and to really blur the line between learning and fun – Sacred Heart's where memories are made! The children have also worked very hard and as always, their behaviour for learning has been exceptional! Everyone deserves a well-earned break, and we hope you enjoy the opportunity to relax and spend some precious family time together.

We look forward to welcoming all the children back to school on Monday 27<sup>th</sup> February for our Lent Day.

Thank you to the children in Miss Gibson and Mrs O'Connor's class for their wonderful assembly on Shakespeare this morning. I loved learning more about the famous bard and very much enjoyed your acting!

Well done to all the children, who received an award this morning.

### We are so sorry to see you go...

Yesterday, we said goodbye to Mrs Gibbons, who is a wonderful member of our Nursery staff. She is leaving us to take on a new adventure in her life as a grandmother. We wish her every luck in the world and will miss her greatly. She has been a valuable support to our children at Sacred Heart for a number of years. Go well and go safely.

### Looking at Learning

The children have absolutely loved the opportunity over the past two weeks to share their books with you! Their smiling faces as they proudly showed you their work was a joy to see. Thank you so much to everyone, who was able to join us. We hope you found the sessions informative.

### 'Have Your Say Day'

Our School Council and Eco Squad met this week and listened to feedback from our class council members, following our 'Have your Say Day' last week. After listening to each class' opinion, we discussed the pros and cons of each option before narrowing it down to 4. We then held a democratic vote. We will be announcing the winning action

in our first week back. The children's ideas were absolutely fantastic! Their top 4 ideas were (in no particular order):

- 1) A wildflower garden to attract bees and other wildlife.
- 2) A school vegetable patch where children can grow their own produce.
- 3) Recycling bins in every classroom
- 4) Weekly litter picking on our school site and the immediate area.

## Magistrates Visit

This week, Year six had the opportunity to experience life in court as 4 local magistrates visited the school to teach the children about the British Value 'the rule of law' and our judicial system. We spent the morning learning about the role of magistrates, the court and the consequences of crime. The children then took part in a mock trial which resulted in a guilty verdict from our 3 magistrates. What a wonderful opportunity for our children

## 🙏 GIFT team Lent Prayer Time 🙏💜

Today our GIFT teams have gone to Cardinal Wiseman to plan out a prayer time that they will lead with pupils at Saint Peter and Paul in Lent.

The team have had some incredible ideas and they can't wait to deliver their prayer time in March. [#romerorefects](#) [#studentleadership](#)

## Parking reminder

Please can I ask that parents are considerate when parking to collect children from school and be considerate of the residents of Brays Lane. Residents have mentioned that a number of parents are parking well in advance of 3:20pm – some as early as 2:30pm. Please can I request that this doesn't happen as it directly impacts residents ability to park outside their houses. Please can you also ensure that engines are switched off when you are parked as leaving engines running creates unnecessary pollution and affects the air quality of our area. Many thanks for your cooperation with these issues.

## World Book Day

On Thursday 2<sup>nd</sup> March, we will be celebrating all things books! Our theme this year is 'Books can change the world'. Children are invited to wear their pyjamas to school and listen to stories with special messages about how we can change the world. We will also be holding our popular 'Bookie Breakfast'. Tickets for this event are £3 and MUST be bought in advance. Please send the money into school in a named envelope if you wish for your child to participate. As always, every child will receive a book token to spend on our World Book Day book. These are available to buy in bookshops and lots of local supermarkets.

**Extreme reading competition:** On World Book Day, we will launch our extreme reading competition. The challenge is to find the most unusual, adventurous, or funny place to read a

book and take a photo of yourself reading! The winning entry from each year group will receive a small prize. Get reading everyone!

Good readers make good writers and helps to improve children's imagination, creativity and knowledge of the world.

We would love for you to share your favourite books with us! Why not put a review of your favourite book on the school reading padlet? Let's share our love of books with each other and give some recommendations to our friends. ## 🌟⚽ Year 3/4 Football Stars ⚽🌟

The year 3/4 girls football team played the third round of the Your School Games tournament. It was a great evening of football with the girls winning all of their games and two players making their debut performance for SH ❤️

To top off the day, the girls all got to hold the Arnold Clark cup ahead of the England Lionesses' match vs Italy on Sunday 🏆🇬🇧. A great evening of football, well done team SH #romerothrives

## Swimming Champions 🏆

Last Friday, our swimming team took part in the annual Catholic Schools Swimming gala and what a day it was! Every swimmer has been training hard for months for this competition and their training truly paid off. They put in an incredible team effort which crowned them the East schools shield winners from the morning! They then progressed into the finals - this saw the 8 best schools from across the city go head to head. It was extremely close but they did it - they held on to be crowned the overall 1st place champions!

Retaining their title of double champions for the 2nd year in a row is incredible! The children's smiles say it all, what a day! 🥰💙

We'll be holding swimming team trials for our 2024 team in October when we have on our site swimming pool again, so keep training hard!

### Strike Action

At this present moment in time, we are unable to confirm the arrangements for Wednesday 1<sup>st</sup> March's Strike Day. As soon as I know, I will communicate this out.

It is highly likely that arrangements will follow the same format as the last industrial action:

Open only to vulnerable pupils, children with an EHCP, pupils whose parents are classed as a critical worker and all nursery children - but will be closed to all other pupils in years R/1/2/3/4/5/6. On this day we will be running a collapsed curriculum and therefore we will not be expected to teach the National Curriculum.

I hope you have a wonderful weekend.

## ARE YOU STRUGGLING WITH THE COST OF LIVING?

We are in a cost-of-living emergency. Energy prices are soaring, cost of food is rising, unemployment is high and lots of people are still struggling with the lasting effects of Covid on health and wellbeing. But help is available.

### Are you running out of money each month?

- Are you receiving the National Minimum Wage? **Check the rates:** [gov.uk/government/publications/minimum-wage-rates-for-2022](http://gov.uk/government/publications/minimum-wage-rates-for-2022)
- For further help & support:** [centralenglandlc.org.uk/coventry-employment](http://centralenglandlc.org.uk/coventry-employment)
- Did you know if you are on a low income you are probably entitled to Universal Credit to top up your wages? Depending on your circumstances Universal Credit can help pay for additional things like paying your rent or cost of raising children.
- Check if you can get Universal Credit:** [gov.uk/universal-credit](http://gov.uk/universal-credit)
- If you are already receiving Universal Credit but are still struggling you may be missing some elements you are entitled to. On top of the standard allowance, a person might get additional allowances including child element, childcare costs element, limited capability for work-related activity element (LCWRA) carer element, housing costs element. Seek specialist help from Coventry Independent Advice Services: 024 7652 1101
- Anyone experiencing ill health or disability or caring for a child or adult will be entitled to extra money on top of Universal Credit. **Have a look at** [gov.uk/browse/benefits](http://gov.uk/browse/benefits)

### Do you struggle to pay your rent?

- In order to receive the housing element of Universal Credit you need to enter your housing costs and check the box. Sometimes this is missed. **Check to see if you receive this on your Universal Credit account**
- If you are subject to bedroom tax, benefits cap, sanctions or a shortfall in your rent then you should get specialist help to look over your claim and entitlements and you may be entitled to a Discretionary Housing Payment (DHP). **Contact the Local Authority: 024 7683 3773** [DCATeam@coventry.gov.uk](mailto:DCATeam@coventry.gov.uk)

### Do you need help with your council tax?

- Everybody can request to have their council tax spread over twelve months instead of ten, which reduces your monthly bill. **Contact your Local Authority: 024 7683 1111** [counciltax@coventry.gov.uk](mailto:counciltax@coventry.gov.uk)
- This year (2022), people that are in council tax bands A-D will be given £150 rebate. **The council will contact those that are eligible**
- People living on low income and/or benefits like Universal Credit or Job Seeker's Allowance, can get their council tax bill significantly reduced by applying for Council Tax Support. **Contact your Local Authority to see if you are eligible:** [benefits@coventry.gov.uk](mailto:benefits@coventry.gov.uk)

## Cost of Living One Minute Guide Information: Fuel Support:

### 1. Apply for a **Household support grant**

<https://www.coventry.gov.uk/householdsupportfund>

This fund is designed to be used to support households in the most need particularly those including children and pensioners who would otherwise struggle with energy bills, food and water bills.

- support with food
- heating/lighting repairs
- essential items such as sanitary products
- to pay for energy bills such as gas, electricity, oil and water/sewerage bills
- to purchase essential household items like fridges, freezers and ovens
- provide wider household support not linked to energy and water
- In cases of genuine emergency where existing housing support schemes do not meet this exceptional need, the fund can be used to support housing costs. Eligibility for Discretionary Housing Payments (DHPs) must first be considered along with whether the claimant is at statutory risk of homelessness and therefore owed a duty of support through the Homelessness Prevention Grant (HPG) These avenues of support must be exhausted before emergency housing support from the Household Support fund will be considered.

**2. Talk to your landlord**, especially if you are in a social tenancy (e.g. Citizen, Midland Heart etc) and ask them what support they have available for fuel support and emergency fuel provision this winter.

**3. Contact your supplier** if you are struggling to pay your energy, water or gas bill as soon as you are able. Ask them about Priority Services register, Energy Company Obligation (ECO Scheme), Warm House Discount Scheme, emergency energy, changing tariffs or additional entitlements.

Priority Services Register scheme: This scheme provides extra help and additional support during a power cut or disruption to energy services.

Eligible if they:

- have children 5 years old or younger living in the home
- are of pension age
- are disabled or chronically sick
- have a long-term medical condition
- have a hearing or visual impairment or additional communication needs
- are pregnant
- are experiencing bereavement
- are a young homeowner
- are in a vulnerable situation
