

Dear parents, children, staff, and parishioners,

It's only been a short half term, but it's been a very busy one – lots of progress, testing, achievements, school trips and fun – the weather has been wonderful over this last week, and I hope it continues over half term! I wish all of the children (and staff) a well-earned rest over the holiday and hope that you enjoy whatever it is you have planned.

Thank you so much to Mrs Severs' class today, for their wonderful May Day assembly. It was a beautiful reflection children, and such a special celebration of Mary, our mother. Thank you to everyone, who donated bulbs and plants – our gardening club can't wait to get planting!

OPAL Platinum Award

This week was a big week for OPAL as we received an external assessment of our OPAL provision to gain official OPAL accreditation. As part of the assessment, we were assessed in our provision of the 16 play types alongside our policies, culture and environment for play. The assessors were absolutely blown away by the play provision we now provide at Sacred Heart and were amazed by the journey we have come on since starting our OPAL journey just back in September 2021.

After a rigorous assessment, we were delighted to find out that we'd been awarded 97% and the top award, Platinum. This means that we are the 1st OPAL Platinum school in Coventry and one of only a few in the West Midlands. The assessors travel all over the UK and internationally to award OPAL accreditations and commented that our play provision is within the top 1% of play provision in

schools in the UK.

We are incredibly proud of this achievement and want to thank you for all your support in our OPAL journey, from developing the site, to donations, to your support at OPAL stay and plays - this wouldn't have been possible without the amazing support from the Sacred Heart community. We now look forward to continuing to maintain this standard and have some more exciting projects in the pipeline.

First Holy Communion

Last Saturday, our Year 3 children made their First Holy Communion. Both masses were such wonderful celebrations, and I was really impressed by the children's reverence, their beautiful Sacred Dance and their readings. All of the children looked so lovely in their white dresses and suits. Thank you so much to Miss Allport, Mrs O'Connor, Miss Gibson, Mrs Kane, Miss Ashford, Miss Preston and Miss Jini for all their hard work in preparing the children for this special sacrament. A special thank you to our amazing Parish Priest, Father Tony, who has guided and supported the children and families in our parish on their journey of faith. I hope you all had a fantastic day celebrating with your families and friends.

Cycling their way onto the news! 🚲

It was amazing to see Sacred Heart children making the news last week! Some of our Year 6 children were selected to represent the school at the official press launch of the Binley cycleway. The children took to two wheels, using the skills they'd learnt in their cycling P.E lessons, to cycle along the cycleway, demonstrating for the cameras how to safely ride in a group. They were greeted by representatives from the British Cycling National Active Travel Commissioner, Chris Boardman and the Active Travel Minister, Jesse Norman, as well as film crews from BBC, ITV and Coventry City Council. It's amazing to have a safe cycleway so close to the school and we hope you all enjoy using the cycleway.

If you're looking for a fun event to get out cycling with your family, on Saturday 3rd June, there is a CycleFest event happening. It's a free family event where they close 3.7km of the Coventry ring road and open it up for families to cycle on. This is just one event happening as part of the Motofest weekend - a weekend full of exciting events all around cycling. For more information visit www.coventrymotofest.com/cyclefest-at-motofest

Have your Say – Design our new library.

We have a very exciting opportunity for the children to be involved in the new design of our library! Over half term, children are asked to think of a design that they would like for our new library area e.g. Enchanted forest, fairy-tale castle etc and create an A4 picture showing their design. On Thursday 8th June, children will then share their designs with their class on Have your Say Day and each class will vote for their favourite designs. The favourite three designs from each class will then be submitted to the school council to choose which one should be transformed into our new library. The winning entry will be blown up and displayed in our new library area. Good luck children and I can't wait to see your creativity shine!

Our beautiful garden

Over the last couple of weeks, the gardening club, led by Mrs Harding and Mrs Teal, have been working hard to tidy the site and plant our sensory garden. So far, they have planted sunflowers, carrots, chives, lettuce and wildflower seeds! We can't wait to see this area develop into a space that will awaken all of our 5 senses!

OPAL Den building day

What a fantastic afternoon, filled with fun, problem solving and teamwork we had last Friday. It was wonderful to be joined by so many parents in our den building endeavours during our OPAL stay and play, last Friday. The quality of the dens were amazing and I was truly blown away by your creativity! Children worked together, using an array of equipment, such as umbrellas, tarpaulin, rope, sticks and string to build the most amazing dens. Our field and woodland have been transformed into a village and it has been lovely this week, watching the children enjoying eating their lunch and socialising in their dens. Well done to all of you!

Football Rally

Some of our school footballers attended the annual Catholic Football Rally on Tuesday at The AT7 Centre. The team did amazingly well, winning all 5 of their group games to get into the final against Christ the King. The result didn't go our way in the final but the whole team tried incredibly hard and showed great resilience, fighting for the win till the final whistle! We're very proud of them!

Well done 🌟💙🏆 #romerotrives

Archery Bronze Medallists 🏆

Last week, some of our year 4 children took part in an archery competition. They all had an incredible afternoon competing against 14 other schools and placed an amazing 3rd place overall. Well done children – a brilliant achievement!

Kindness Week

This week has been Kindness week in school, and we launched the week with a video made by our Mental Health Champions. The children have been competing to see who is the kindest child in class, and the kindest class in the school. We also made cards and wrote letters to poorly children through the charity Postpals to spread our kindness. Each child contributed to our paper chain of kindness to see how far we could spread kindness around our school.

We look forward to presenting those kind children with their certificates after we have counted the votes. Watch this space...

Staff Emails

In the current climate, with so many teachers leaving the profession, we would like to ensure our staff have a positive work/life balance. The staff at Sacred Heart are fantastic and often work late hours, planning lessons, marking books and making sure your children have the best possible education. To promote staff welfare, staff will only be available to respond to emails between 8:00am and 5:00pm. Please can I request, where possible, you avoid emailing staff outside of these hours. I understand, that at times, it may be unavoidable, however, where possible, please ring the office or speak to your class teacher at the end of the day. If you do need to contact the school outside of work hours, please email admin.SH@romeromac.com. Many thanks for your support with this.

Hatton Trip

Year 2 had so much fun in the sun on their trip to Hatton Farm this week. We had a guide showing us around for the whole day. We went on a very bumpy and muddy tractor ride through the fields and looked at all the crops that have been planted on the farm and saw all the new baby lambs, exploring their surroundings. We held a range of different animals, snakes, guinea pigs, lizards and chinchillas and learnt facts about them. We looked around the farm and were able to stroke and feed lots of the animals. We also had time to enjoy the beautiful weather and play with our friends.

A calm space

Our Nurture den is coming along. A massive thanks to the Mental Health Champions for all the hard work and cake sales; kind donations of books from one of our lovely parents and a special thanks to Enya who secured an amazing £200 courtesy of the [52 Lives](#) charity. Our children benefit so much from this calm space.

Coventry Schools Dance Off Champions

Yesterday, 17 girls from our dance team took part in the Coventry Schools Dance Off. They wowed the judges and the audience with their two incredible routines, and we couldn't be prouder of the girls! Overall, they finished an amazing first place and came away with a trophy. Well done Team Sacred Heart!

Summer Uniform

We are smart at Sacred Heart! Some uniform reminders:

- As it is Summer term, children are now welcome to wear summer uniform. This means that in all year groups, children may wear **grey tailored shorts** instead of trousers or **blue gingham summer dresses**. In addition, children may choose to wear a **blue polo shirt with the Sacred Heart logo** instead of a shirt and tie.
- Please can all children ensure that they come to school in the **correct PE kit**, on their PE days, so that they can access the PE curriculum. Some Y5/6 girls have been wearing cropped t-shirts. This is not part of our P.E. kit and are not allowed to be worn for P.E. lessons.
- Shoes** – please can I ask for children to ensure that they are wearing black school shoes (not trainers), except on P.E. days.
- Hair** – long hair should be tied up please. We have had a number of cases of nits recently. Children are less likely to catch these if their hair is tied back. Bobbles, hairbands etc should be in school colours.

I have been noticing some very short shorts being worn to school – instead of P.E. kit and instead of school uniform. This is not appropriate for school. Please ensure children are wearing correct summer uniform.

WHO WE ARE

Here's a reminder of what the School Nursing team can support you with:

- Toileting
- Sleep
- Challenges with eating and diet
- Delivering the NCMP for Reception and Year 6 pupils
- Puberty
- Emotional health and how to relax
- Managing behaviour
- Hygiene

Confidentiality

Whilst we offer confidentiality, members of the School Nursing Team work in partnership with other agencies, where information may need to be shared in the best interest of your child.

Consent

The School Nurse Team will obtain consent from parents and carers before supporting children and young people. In secondary schools young people can access the School Nurse independently for advice and support without parental consent, although we would always encourage young people to speak with their parent/carer.

Spring is here!

We hope you all had a lovely Easter break and are enjoying the summer term so far!

This term we continue to offer free online parent information sessions for common concerns faced by parents/carers.

We will also continue to run our hearing screening clinics for Reception children and will be visiting schools to conduct the National Child Measurement Programme (NCMP).

The school nursing service works all year round, Monday to Friday excluding public and bank holidays.

EXAM SEASON STRESS

Now that the summer term has started, children are getting closer to, or are sitting their Key Stage 1 and 2 SATs.

Children in Year 2 and 6 will have spent lots of time in school and at home preparing for these exams and it can be a stressful time for them and for you as parents/carers. With this in mind we have put some ideas together about the signs of exam worries and some ways you can support your child/children.

Signs of worries

Children may show some of the below signs, which can indicate they are anxious about their exams.

Note: children may display more than one of these symptoms.

- Worrying
- Feeling tense
- Experiencing headaches and/or stomach pains
- Poor sleep
- Being irritable
- Loss of interest in food or eating more than normal
- Lacking enjoyment in activities they usually enjoyed

Some children start to feel better when the exams are over, if your child is still feeling anxious or suffering with low mood when the exams are over, see your GP.

How can you support your child?

Encourage children to speak with someone at school who can support them with their work; this can be a teacher, teaching assistant or someone from the pastoral team. It may be helpful for you to speak to your child's teacher – try and involve your child in this too so they feel supported.

Here are some other ways you can try and support your child:

Encourage conversation

Explaining that being nervous is a natural reaction to exams is important, sharing your own experiences may help.

Help them study

Talk about what topics they are under confident about and try and help them. You could ask school for past papers to practice, you can find books in the library or resources online.

Encourage them to eat a balanced diet

Foods and drinks high in fat, sugar and caffeine may make children irritable, moody and hyperactive.

Make sure they are getting enough sleep

Good sleep improves your ability to think and concentrate. Wind down times between studying and using devices before bed can help them get a good night's sleep.

EXAM SEASON STRESS CONTINUED

Get moving

Exercise can help you feel less stressed, clear your mind and boost your energy levels! You could encourage a mid-revision break where they can have a dance, go for a walk or cycle or play football - whatever works for your child!

STAYING SAFE IN THE SUN

As the sun comes out so do we. Being out in the sun can make us feel happier and is a natural source of vitamin D but it is important to remember the dangers of exposing our skin to the sun for long periods of time too.

All skin types and skin colours can suffer from sun damage, so we all need to take care of ourselves! So how can we be safer in the sun?

Get in the shade between 11 am - 3 pm.

Drink plenty of water to prevent dehydration, the sun can dry us out!

Use sunscreen, the NHS recommends SPF30 with UVA/UVB protection.

Wear appropriate clothing. Think loose, cotton. Don't forget your hats to protect the neck and ears!

Wear sunglasses to protect eyes from harmful rays and never look directly at the sun!

For more information and how to treat sunburn see NHS

Reception Class Hearing Screening

The School Nursing team offers hearing screening for all Reception class pupils. These are carried out as clinics at different locations in the city (see next page for dates and locations). Parents/carers can get in touch with the School Nursing team on one of our contact numbers or email addresses below to book a test.

When you call or email please provide the following details:

- Full name of child
- D.O.B of child
- School child attends
- Preferred clinic location and date

Our upcoming dates and locations are:

- Wednesday 17th May 2023 – Mosaic Hub
 - Tuesday 30th May 2023 – Moat Hub
 - Wednesday 31st May 2023 – Pathways Hub
 - Thursday 8th June 2023 – Families For All (Foleshill) Hub
 - Thursday 22nd June 2023 – Wood Side Hub
 - Monday 3rd July 2023 – Moat Hub
 - Friday 21st July 2023 – Aspire Hub
- Please note: If you have concerns about an older child/children's hearing, you can call the Central Booking number to make an appointment with the Audiology department on: 0300 200 0011.

HAY FEVER

The pollen count is usually highest between March and September, especially when it is warm, humid and windy.

Symptoms of hay fever and how severe they can be, will vary from person to person. Some of them include:

- sneezing and coughing
- a runny or blocked nose
- itchy, red or watery eyes
- itchy throat, mouth, nose and ears

WATER SAFETY

With summer approaching and hopefully warmer weather, we would like to remind parents and children of some key points to remember when playing in the water this spring/summer.

- Never leave children unattended while in a paddling/swimming pool/hot tub or the sea. Or near ponds/lakes/canals.
- Always empty water from the paddling pool once you have finished with it, or if you have a larger pool remove/block access.
- Look for beaches with lifeguards and never take your eyes off a child playing in the sea.

Water safety is a huge topic, so for more information visit the trusted websites below:

Useful Resources

Don't forget to check out the links throughout this newsletter for more information and support! Please see more resources below/on page 6 which may be of help to you, your families and/or school:

Does your child have a hidden disability?

Parents can apply for a sunflower lanyard for children with a hidden disability. Some cafes/attractions/restaurants etc. recognise the sunflower and offer support, this could include priority access etc.

SPORT

There are many more amazing sports clubs on offer in the city, however, these are the clubs we'd highly recommend.

If you're struggling to find an appropriate sports club and would like support please come and speak to us and we'll point you in the right direction :)
