## Stunt Bike Show

On Tuesday everyone had the best Big Pedal reward afternoon with the Extreme Mountain Bike Show. It was a fast pace, exhilarating show – such skill. We are so lucky to have had this wonderful experience – thank you to Miss Edge for organising it. We were also presented with a scooter and balance bike.

## 30 Wild Days of June

Mrs Stokes has asked me to remind you all that the 30 Wild Days of June competition can now be started. The children should have an idea of what activities to do, if not I can help you.

Some examples:-

- \*Design a minibeast home
- \*Find out facts about a favorite animal
- \*Spot birds
- \*Quiz your friends on wildlife facts
- \*Sketch a picture of something in the wild
- \*Read a wild book

Your child's class could win a trip to the Brandon Marsh in July!

If you need an activity to do over the next few weeks – perhaps give one of the above a go!

## New Logo

Over the past few months all the schools in the Romero Academy have been busy designing new logos that incorporate our school and our sense of mission, but also give all eight schools an identity that they belong to one organisation – The Romero Academy. Here is our finished logo. We will begin using this from September on our letters, newsletters, website and any formal communication.

## Parent / carer survey June 3rd – July 5th

At Sacred Heart, we want to provide a high-quality of education. We need to know what you think is working well and what you would like us to improve. Therefore, we are following up the survey completed in the Autumn and we would be very pleased if you could complete it by following the link below. You may answer the questionnaire anonymously if you would prefer. The survey takes approximately 5 minutes to complete and comments are optional. As always, if you wish to raise a concern, there is a process to follow and we appreciate you bring it directly to the attention to staff at the school so we can resolve the matter in a speedy manner.

We would like to take the opportunity to thank you in advance for completing our survey. The survey will be analysed at school level and across Romero as the results will be collated and viewed by the Board of Directors.

## GB athlete Katie Stanton

Next Tuesday we'll be welcoming GB athlete Katie Stanton to school to speak to the children and to do a fitness circuit with her! 🏆

In the lead up to the day all children were given a sponsorship form for their circuit. The deadline for sponsorship money is Monday AM so that the correct prizes can be ordered. ✨ Please bring these to the office in an envelope with your child's name on. The money is to support the GB athlete and if we raise enough the rest will go towards school PE equipment and kit.

## First Holy Communion 2019

Next week, our wonderful Year 3 will celebrate their First Holy Communion; Mrs Drohan-Mills/Mrs Severs' class at 10:30am and Mrs Rice/Mrs Cowley's class at 12:30pm. We ask that the children for the first Communion arrive at 9:30am for family/individual photographs. The children for the second Communion should arrive at 12:00pm and **the majority of the** photographs will be taken before Mass. Additional parking will be available in the school grounds. We wish the children a happy and Holy day.

## Sports Day

On **Friday 21<sup>st</sup> June 2019**, our annual sports day will take place. All children will participate in sporting activities throughout the morning, before the usual sprint and novelty races on the running track in the afternoon. During lunchtime, parents/families are welcome to join the children for a picnic on the field (please bring your own picnic and blanket), before spectating the races. The school gates will open at 11:45am if you wish to join us for lunch on the field. Alternatively, feel free to join us at 1.00pm when the afternoon races will begin. All children who normally have a school meal will be supplied with a school packed lunch. Your child needs to come to school wearing their Sacred Heart P.E kit, as this will provide more time for sporting activities. We recommend your child brings a water bottle to school along with a sun hat. Please ensure your child has sun cream applied, especially if it is a warm day.

Nurturing the Talent of Tomorrow

Sky Blues in the Community will be holding open trials for the Player Development Centre scheme for 2019/20 season.

The Player Development Centre initiative offers advanced football coaching with a technical and tactical focus for children of all footballing abilities and experiences. We have a strong believe that for players to be able to develop and reach their potential they need to train and play with others of a similar level. For this reason we have a player pathway in place where players can move up or down so we can make sure they are in a group which is both challenging but also gives them a chance to have success.

The overriding mission statement for SBitC Player Development Centres is 'To provide high quality coaching and a positive coaching environment to support players in reaching their potential'. We achieve this by providing a positive learning environment that focusses on each individual player, rather than team results.

We understand that all players are different, which is why we follow the FA 'Four Corner Model', which looks at the whole player including: Technical/Tactical, Physical, Social and Physiological areas of their game.

We don't promise that players involved in our PDCs will become professional footballers, but what we do guarantee is a high quality coaching environment that improves the technical and tactical understanding of those who attend.

SBITC are a registered charity, therefore a not-for-profit organisation. This means that all costs involved in PDCs cover the costs of running the centre, rather than begin focused on making profit.

#### Open Trial information & dates:

The open trials are run over a 5 week period. On the first week we put all the new players together for an initial assessment from which they are then allocated a group to train with our existing players for the following 4 weeks.

All trials start directly after May half term so week commencing 3<sup>rd</sup> June and will last for five weeks.

For more information on dates or to book on to our trials please click on this link - <https://bit.ly/2Lj54AF> or find it on the CCFC website under the community tab.
