2020

Dear parents, children, staff and parishioners,

Thank you to the children in Miss Parry's class for their wonderful assembly on "Internet Safety."

You really did keep us informed about how to be safe when going online and using devices....we loved the video

Thank you to all the parents that were able to join us for our celebration assembly. Congratulations to the children that received an award.

### \*\* Great British Dance Off \*\*

On Monday, the Sacred Heart Dance Team competed in the heats round of the Great British Dance Off at The Alexandra Theatre (Birmingham) against other schools from across the West Midlands. We were incredibly proud of our dance team who wowed us all at the competition with passion and precision! We will be doing a showcase of the Alice routine for parents and families next week on Thursday at 4pm. We will be making this an annual event. 😊

### Travel Tracker

Every day the children complete a travel tracker which logs how they travel to school. If they travel actively for at least one day each week in the month they receive their travel badge for that month. I'm sure you've seen the children wearing these. Each badge has been designed by a child and features an invention that changed the world. The company are now looking to make the badges for next year and have launched their badge competition.

If your child would like to take part in the competition, they need to design a badge on the template on the letter they bring home, fill their details in at the bottom of the form and hand it into the office by no later than **Wednesday 19<sup>th</sup> February**. The theme for the badges this year is 'wonders of the world'. Be creative, colourful and have fun with your entry. I look forward to seeing all the children's amazing designs.

### 10 new places for the dance team

The team has now had their main competitions, so we are starting to look towards upskilling the children's dance abilities to help prepare them for next year's competitions. Therefore, from Spring 2 we are looking for 10 more enthusiastic dancers from Years 3-6 to join the team who will replace the Year 6 children when they leave in July. We are looking for children who are passionate about dance, will commit to the club for the whole year (from Spring 2 2020 – Summer 2021) and want to perform competitively. This is a fantastic opportunity for our children, and we want to grow our performing arts like our sports department at Sacred Heart. Children in Year 3-6 will be taking home a letter on Monday with more information.

## Safer Internet Day

2020 will be the 17th year Safer Internet Day will be celebrated in over 100 countries around the world. It will run under the slogan "together for a better internet" and will promote the positive power of the internet to allow people to create, share and connect. On Tuesday 11<sup>th</sup> February, all the children at school will take part in this important day and have a focused lesson on being safe on the Internet. We will launch the day with a special assembly. At school, we ensure that all the children are safe through our E-Safety policy; dedicated lessons as part of the computing curriculum and through raising awareness amongst pupils and parents. Check out what's going on at @giveasmile or @sid20.

## Online issues (extract from a letter I sent out to Year 5 and Year 6 parents:

Along with other schools, we have recently been dealing with an increasing number of issues arising from children using social media platforms. As ever, technology develops at a rapid rate, so monitoring your child's usage is essential. It is a real challenge as a parent to keep abreast of these changes, and often children are one step ahead of us.

If you do allow your child access to social media Apps such as Facebook/Instagram/TikTok/WhatsApp/SnapChat/Xbox Live/PS Live, I would advise you to closely monitor what they have written and received. As adults, it is important that we guide and control what the children are exposed to. We cannot do this alone, as a school; we need you, parents and carers, to be active partners to ensure that the children are safe online. We may get to a stage where we will not be able to deal with issues that happen outside of school, if this continues to be a problem.

**In summary, it is very important that you monitor closely your child's use of technology and check age restrictions on APPs.**

## St Valentine's Non-Uniform Day

On Friday 14<sup>th</sup> February we will be celebrating the feast of St Valentine. Therefore, we would like to have a non-uniform day where children are invited to wear something red or pink! We are asking children to bring in £1 for the privilege of wearing non-uniform – this money will go towards refreshing the reading books across the school. If your child does not have anything red/pink, then they can come into school in non-uniform. This is optional, therefore if you do not want your child to take part, then they can come in their school uniform. Thank you.

## Sacred Heart's GOT TALENT 2020

We will be sharing the talents and skills of children in our performance Sacred Heart's Got Talent on Tuesday 18<sup>th</sup> February at 6.00pm in the school hall. All auditions for the children in Years 3/4/5/6 have taken place and they will be told next week who got through. The acts that get through will perform in a dress rehearsal to the whole school. They will need to have props and costumes at the ready! The performance will be free of charge; there will be a tuck shop and a raffle ran by the School Council. Good luck children

## Let it Snow!

We do intend to keep the school open throughout the Winter. If it becomes impossible to safely open the school, we will consider the following factors:

- safety and accessibility of the site and surrounding area
- availability of heat, light, power and water
- availability of staff
- availability of meals

As parents, we encourage you to listen to the local radio stations for up to date information. You can also find information at [www.coventry.gov.uk/schoolclosures](http://www.coventry.gov.uk/schoolclosures). Closures will also be reported on Coventry City Council's Twitter account [www.twitter.com/coventrycc](https://twitter.com/coventrycc) and Facebook account [www.facebook.com/coventrycc](https://www.facebook.com/coventrycc)

## Bike Helmets

Please can you make sure your child is wearing a bike helmet if they are riding to and from school. I am particularly worried about the children in Year 5 and Year 6 who come and go to school on their own. The children are at a higher risk of incurring a head injury if they are not wearing a helmet.

## John Laing Builders/ Did you help to build Coventry Cathedral?

The children at St Osburg's School are going to be working on a heritage project with Historic England about Coventry Cathedral and would love to speak to anyone who worked for Laing on the construction of the new cathedral. Does anyone know anyone or have any relatives who were involved? We would love to hear from them. Please contact St Osburg's school on 02476 227165 if you know anyone who took part in this. Thank you in advance and we look forward to hearing from you.
