2021

Dear parents, children, staff and parishioners,

It has been so lovely to witness so many of our children not only accessing their home learning, but rising to the challenge and submitting some beautiful pieces of work this week. They are working so hard and seem to be finding the positives and enjoying our remote learning offer. We know that for many of you, this week has seen you juggle the responsibilities of home life, work and now home-schooling, and we as a school staff wish to thank you for all that you are doing. We also want to take this time to assure you that our message to you all remains the same: Do what you can! If you are struggling to access the online provision for your child or are having any issues with technology, please do get in contact and we will be happy to help.

### Covid-19 Test Results during national Lockdown

If your child or anyone in your household receives a POSITIVE COVID-19 test result, even if your child or children are not attending school at the moment, please can this evidence be emailed to [l.stevenson@romeromac.com](mailto:l.stevenson@romeromac.com)

I must be made aware of this for our records. We have been making a few home visits and discovered parents have symptoms of Covid, but are not getting tests. Please can I strongly advise people to get tested if anyone in the family is feeling unwell as the COVID-19 symptoms can be very varied. I sincerely hope that everyone stays well.

### Lockdown P.E.

This week was the first week we had all our different P.E activities up and running and what a week it has been. We want to say a massive thank you for supporting your children to take part in all the different activities from the Daily Mile challenge, to P.E with Joe Wicks to dance with Jade and their P.E lessons with Miss Edge and Mr Spencer. It is amazing to see the children continuing to keep fit and active during this period.

It has also been fantastic to see all of the photos and videos you've been sharing via our P.E Padlet pages. Below are all the QR codes/links you can use to access the Padlet pages and take a look at what everyone has been up to both in and out of school. Please keep uploading anything you are doing to keep fit and active at home, it is lovely to follow you on your sporting journey 😊

### Youth Sport Trust After School Club

Are you looking for half an hour in the evening where your children are engaged with an engaging activity and you can have a bit of time?

Well the YST After School Club is there to help. Every Tuesday and Thursday at 5pm different athletes from a variety of backgrounds, abilities and sports will be leading a free sports club. These sessions will be live so all you need to do is tune in via their Youtube page at 5pm. Here is the link: [\[38\] YouTube](#) Each week there will be a different focus, with Tuesdays focused around a sports skill and Thursdays involving a sport-specific session.

### Let it Snow!

We do intend to keep the school open throughout the Winter. If it becomes impossible to safely open the school, we will consider the following factors:

- a) safety and accessibility of the site and surrounding area
- b) availability of heat, light, power and water
- c) availability of staff
- d) availability of meals

As parents, we encourage you to listen to the local radio stations for up to date information. You can also find information at [www.coventry.gov.uk/schoolclosures](http://www.coventry.gov.uk/schoolclosures). Closures will also be reported on Coventry City Council's Twitter account [www.twitter.com/coventrycc](https://twitter.com/coventrycc) and Facebook account [www.facebook.com/coventrycc](https://www.facebook.com/coventrycc)

### Reception Places for September 2021

The closing date for all Rising 5 – Reception places for September 2021 will close today (15<sup>th</sup> January). The Admissions Committee will go through the ranking list and use our Admissions Policy to score each application against our criteria. This will then be ratified by our Academy Committee later on in the month – you will then be notified in April if your application has been successful.

## Sacramental Preparation

I had hoped to be informing you of the dates and lovely plans that we had to look forward to involving the children in Years 3 & 4 who are set to make their First Holy Communion, and the children in Year 6 who are due to make their Confirmation. However, due to the Government's latest guidance, we have not been able to confirm any dates for these Sacraments as of yet. The last thing we want to do is to communicate dates and constantly have to cancel and amend them, so please rest assured that as soon as we are given the go ahead, plans will be made and dates will be shared. Fr Tony and I thank you for your patience with this and look forward to a time when we can celebrate the next step in your Child's journey of Faith.

# Thought of the Week ...

'You don't have to be perfect  
to be amazing!'

I hope you have a lovely weekend.
