Covid Reminder

If your child is displaying symptoms of Covid-19, please ensure that you book them in for a PCR test and your household isolates until you receive a negative result. Please ensure that you inform us of any symptoms that your child has or your family, and then inform us of any test results as soon as possible, so that we can act accordingly and in a timely manner to protect our school community.

Virtual Maths Competition

Last week, some children from Year 6 (& 1 from Year 5) took part in a virtual Romero Maths Competition. All of the Romero Primary Schools took part. The children worked in teams to complete some very tricky maths challenges involving both verbal and non-verbal reasoning. The competition was split into four rounds, each one having an introductory question where schools competed against each other to see who could work out the correct answer the quickest for a chance to win extra points. In the next part of each round, the children were given a set amount of time to correctly answer three maths problems of varying difficulty. The children performed brilliantly and finished in 1st place (with 36 points) & joint second (with 30 points). Well done to the children who took part: Oyebola A, Lay B, Elaina M, Mikolaj W, Cole L, Jacob G, Maria T, Balpreet K, Max M and Filip W.

Drop Off and Pick Up Reminder

Please note that our drift in times run from 8.40am until 8:50am in the morning and collection at 3.05pm for Nursery and Reception and 3:15pm for Year 1/2/3/4/5/6 in the afternoon. It is important that we all stick to these times to ensure the safety of everyone in our community. If you arrive before the gates open because you are trying to park, please can we ask that you wait in the car until the gates open. This will help stop an unnecessary queue from forming so close to the road. Thank you for your cooperation.

Late Children

If you arrive at school after 8:50am and are late, then please come to the main office and sign your child in. You must wait outside the electronic doors until Mrs O'Meara lets you in (only one parent in the main foyer at a time). One day this week we had over 20 children arriving late and missing their registration mark. Please can I ask you to get your children in to school on time next week as it really does disrupt the class when the children arrive 10/20 minutes late. Thank you.

Positive Behaviour Policy

This week, we have launched our new Behaviour Ladder and I am pleased to say that we have only had to issue a few yellow zone warnings. On Monday, we will add the parent communication protocol onto Arbor, therefore, if your child reaches Step 4 and receives a Red Zone, you will get an automatic alert to your phone/APP detailing what your child has done to receive this.

Would your child like to represent Sacred Heart and run with the Olympic torch?

In school, the children will be doing some work around the Olympic values and the history of the Olympic torch relay, in preparation for us receiving the torch on 11th May. On the 12th of May, one child from each class will take part in the Olympic torch relay to carry the torch on to Stoke Heath Primary School. We want the children who carry the flame to embody the Olympic values. Therefore, we are giving every child the opportunity to apply to 'carry the flame' by demonstrating to us how they embody the values of excellence, respect and friendship.

They can apply in any format, whether that's through a video, a photo collage, a letter, poem, poster etc... All digital applications are to be emailed to s.edge@romeromac.com and any physical entries are to be given to Miss Edge in school. The deadline for entries is **Wednesday 5th May**.

Badge design competition 2021

WOW - the year-round walk to school challenge

WALK for the WORLD

YOUR WALK TO SCHOOL CAN CHANGE THE WORLD!
By walking to school, instead of driving, we reduce our carbon (CO₂) emissions. High levels of CO₂ are responsible for warming the earth, which results in melting the ice caps, rising sea levels, changes in the weather and damage to habitats.

WHAT SHOULD YOU DRINK?
Animals and natural habitats over the world are affected by climate change. Research to show you that you want to protect by walking to school!

SUSTAINABILITY AND WOW BADGES!
Our WOW badges are made from recycled materials, which includes old badge trays, plastic plates and coffee lids of equal size and they can be recycled!

Did you know?
Each year, around 150kg of CO₂ emissions are added per WOW school - helping to protect the environment for animals and natural habitats all over the world.

The UK COP Climate Change Conference - the world leaders to tackle climate change and look at how we can protect our planet for the future. COP26 is being held in Glasgow in Scotland.

CLOSING DATE: FRIDAY 23rd APRIL 2021

Did you know?
Each year, around 150kg of CO₂ emissions are added per WOW school - helping to protect the environment for animals and natural habitats all over the world.

Design a Badge Competition

We're really excited to be taking part in the Travel Tracker design a badge competition for 2021/2022, this year's theme is all about what we can do to help reduce carbon emissions and tackle climate change. Last week, your child came home with a badge design competition entry form. On the form you'll find all the details for how to take part. We can't wait to see all the creative, thoughtful designs come in. If your child needs a replacement entry form, please ask your child's class teacher or go to the school office who have spares. The deadline for entries is Wednesday 19th May!

Before/After School Clubs

We still have places for our before and after school clubs with Premier Education. If you'd like to book your child a place, you still can do so. If you need any support in booking your child on, please call the school office who will be able to support you with this. Information regarding how to book was sent out via Arbor on 19th March.

P.E Padlet Pages

Each week, we post photos/videos onto your child's P.E Padlet page from their P.E lessons. Please use the links below to access your child's P.E Padlet page. These have all been shared via the children's Teams pages too, so they also have access. Please feel free to use these pages to share your children's sporting successes outside of school with us in school by posting a photo/video onto their Padlet page. We'd love to see how they are continuing to develop their sporting skills outside of school too. Here are the links to each year group's Padlet page.

Mr P Madia
Executive Principal

Dear Parent/Guardian,

Our school is delighted to be taking part in Royal Mail's Heroes Stamp Design Competition, honouring the heroes of the coronavirus pandemic.

Eight pupils from primary and secondary schools across the UK will become the designers of this stamp set, and one could be your child!

Each entry we send in will have the name of each child, plus their age and our school's name and postcode.

Before we submit entries to Royal Mail we need explain how Royal Mail will use these details. Royal Mail will use these details of children who enter (i.e. name, age, school name and postcode) to run the competition, including to contact the winners and distribute prizes. Royal Mail will share this information with iChild Limited and The Education Company Limited, who are helping Royal Mail to run the competition.

Except in the case of the 120 children who reach the Regional Finalists stage, Royal Mail will delete all of this data by 30th September 2021.

As is usual in competitions, Royal Mail may, if requested, tell the Advertising Standards Authority of those winners' surnames and counties. Members of the public will also be able to ask Royal Mail for that information after 30th September 2021. If you object to your child's surname and county being available to members of the public, you should write to Heroes Stamp Design Competition, Royal Mail Group, 185 Farringdon Road, London EC1A 1AA. However, Royal Mail may still need to give this information to the Advertising Standards Authority on a confidential basis.

If your child enters the competition, Royal Mail has what data protection law calls a "legitimate interest" to use your child's details (i.e. name, age, school name and postcode) in the ways described above. However, your decision of what is best for your child takes priority, so if you have any concerns please let your child's teacher know not to include your child's design in the competition.

Please refer to Royal Mail's Privacy Notice at <https://www.royalmailgroup.com/en/site/privacy-notice/> for more information about how to exercise data protection rights, contact Royal Mail's Data Protection Officer or raise complaints with the Information Commissioner's Office.

If your child is one of the competition winners, Royal Mail will contact you separately, via the school, to discuss whether you would be willing to take part in publicity.

Thank you.
