Dear parents, children, staff and parishioners,

So, as we near the end of this final term, I encourage all children (and staff) to enjoy the ending of one chapter and to look forward with excitement to the new chapter that is to come in September and to trust in the magic of new beginnings. We have now received updated guidance from the Department for Education "Step 4." This will see the easing of all restrictions and the return to some sort of normality in September. For now, we continue as we are until we break up for the summer holidays, to ensure all of our community is safe as we finish this academic year.

The past few weeks have seen, yet again, more disruption for our community, due to the increasing infection rate and the bubble closures. I am sorry if this has ruined plans or disrupted work; unfortunately we have to follow the DfE guidance, resulting in closures when the Local Authority and Public Health deem it necessary. There are only a few more weeks – please play your part in ensuring that you keep safe, following the Government rules.

ENGLAND V ITALY

THREE LIONS GO!

On Monday we will have another non-uniform day (children can wear football/sport kits) to celebrate England getting into the final.

If your child is a football fan and will be staying up late to watch the final on Sunday, then please let them lie in if they need it on Monday and get them in by 10:30am.

We would rather have children rested and ready to learn in school than absent or tired.

School will start at the normal time but your child won't be marked late if they arrive up to 10:30 as we will keep registration open until this time.

England v Italy FINAL:

If your child is a football fan and will be staying up late to watch the final on Sunday, then please let them lie in if they need it on Monday and get them in by 10:30am. We would rather have children rested and ready to learn in school than absent or tired.

School will start at the normal time, but your child won't be marked late if they arrive up to 10:30am as we will keep registration open until this time.

We are not encouraging your child to be absent and any absences that we have not been notified about will be unauthorised. Can I please remind you, that if your child is going to be absent from school for the day, due to illness or any other reason, it is school policy that you contact school by 9:30am.

We want to help make happy memories! It's 55 years since England reached a major final, so please do make the most of it. So let them watch it, talk about the National Anthem; speak to them about resilience and hard work and effort; pride and possibly even disappointment. We see this as a learning opportunity. We see it as a chance to create collective happiness.

Come on England!!!

Holy Communion – Year 3

Next week, sees the final group of our wonderful Year Three children receiving their First Holy Communion, we have now had three of the four Masses. We are very much looking forward to celebrating with them and the children have been enjoying the preparations. Please continue to pray for our Year Three children, as they prepare to receive Jesus through this sacrament for the first time.

SEN Support

Last year, as part of our bespoke transition support for children who might be on SEN register, or who were feeling particularly anxious about moving to their next class, we held meetings with yourselves, your children and their new teachers. Unfortunately, due to the current climate, we feel that this would create too much mixing within our school community. As a result, class teachers will meet with children in their next years class, who may be feeling anxious about transition, in addition to the transition support that all children will be receiving. In addition to this, class teachers will be meeting to hand over information about your children and we ensure that the transition will be as smooth as possible. We appreciate that you may also have concerns about your child's transition and whilst I would encourage you to contact me at e.cakebread@romeromac.com so that I can be aware of this and put in support where possible, the future class teacher will also be available for you to talk to during the consultations over Microsoft Teams on Monday 19th July. Mrs Cakebread

Achievement Awards – Summer Term

We are pleased to be able to share our Achievement Awards for the Summer Term. Mrs O'Meara will email you all separately if your child has been chosen. As a heads up, here are the dates and times for your diaries. We will send out a link to TEAMS, as they will be presented remotely again.

Welcome to Sacred Heart

A huge welcome to many of our new Reception and Nursery children and their families, who are reading this newsletter ahead of joining us in September. We have been busy working behind the scenes, to ensure that you have everything ready for your child to start with us in the next academic year. This week, you should have received your child's start dates and timings and a link to view our welcome meeting. Don't forget, your child's new class teacher will be making a phone call to you at some point, either this week or early next week, to introduce themselves. We can't wait to see you all in September. You are most welcome!
