Sacred Heart Catholic Primary School
Brays Lane, Coventry, CV2 4DW

t: 02476 453314 e: office@sacredheart.coventry.sch.uk w: sacredheart.coventry.sch.uk

Background:

The Government has provided funding until 2022 to provide new, substantial primary school sport funding. This funding is being jointly provided by the Department for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Headteachers to spend on improving the quality of sport and P.E for all their children.

The sport funding can only be spent on sport and P.E provision in schools. OFSTED will play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in P.E and school sport for all children throughout the Primary Phase. All schools receive a lump sum of £16,000 plus an additional £10 per pupil. We are proud of the P.E curriculum and sporting opportunities that we have on offer at Sacred Heart Catholic Primary School. We believe that the purpose of Physical Education is to inspire and motivate all children to be active in their lives, enabling them to become physically confident. The importance of living a healthy lifestyle and taking regular exercise needs to be encouraged, alongside the teaching of key fundamental skills. We believe that children should have opportunities to apply the skills they have learnt in competitive situations, either within teams or individually. As a result, key values, including team work, resilience, determination and fair play, can be taught and promoted in an active way. We believe these key values are vital for pupils' development because lots of these are transferable skills, which can be applied to wider life experiences. Furthermore, we believe that P.E plays a fundamental role in educating the whole student. Research supports the importance of movement in educating both mind and body, now more than ever with the current climate. It also helps the children to make informed choices and understand the value of leading a physically active lifestyle. The benefits of physical education can affect both academic learning and physical activity patterns. The healthy, physically active child is more likely to be academically motivated, alert and successful. In the pre-school and primary years, active play may be positively related to motor abilities and cognitive development. We believe that quality physical education teaching is essential in developing motor skills, physical fitness and understanding of concepts that foster lifelong healthy lifestyles.

At Sacred Heart Catholic Primary School, we ensure that the children receive the highest quality of teaching during their P.E sessions. We strive to improve children's ability and skills in sport as well as having a significant impact on the overall fitness and well-being of the children. We aim for all children to develop positive attitudes towards physical activity ensuring all lessons are accessible by providing a range of different activities to challenge every pupil. We believe in challenging ourselves to always strive to be our best and use our God-given talents to their full potential; we endeavour to instil this personal challenge in our children.

All details on how this funding is spent and the impact it has had on pupils' P.E, sport participation and attainment will be published by 31st July 2022 at the latest.

Below is the AfPE Key Indicator Poster to make it easier to see how our achievements and areas of improvement link to each area.

- 1.** The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- 2.** The profile of PE and sport is raised across the school as a tool for whole-school improvement
- 3.** Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4.** Broader experience of a range of sports and activities offered to all pupils
- 5.** Increased participation in competitive sport

association for Physical Education

Key achievements to date:

Key Indicator 1:

- All children receive 120mins of curriculum P.E a week, delivered by P.E specialists and class teachers.
- All staff have been trained in delivering the Tagtiv8 active learning approach to deliver Maths and English through a physically active approach.
- 70% of the school engage in the Travel Tracker scheme that promotes and rewards active forms of travel to school.
- A range of sports before and after school clubs are offered daily.
- The school have begun the OPAL programme and are improving the play opportunities children have at break and lunchtimes, this in turn will increase their activeness during these times. This programme will address all the issues raised in our pupil voice in May and Dec 2021.

Feedback from pupil voice May 2021 about break and lunch provision:

Break/lunchtimes – There was a lot of feedback about how these could be improved. The overarching themes were:

- More equipment
- More space to play
- More activities
- Mixing of year groups

Key Indicator 2:

- A stronger relationship between parents and the P.E department has been formed through regular updates on their child's P.E learning journey taking place in school.

Areas for further improvement and baseline evidence of need:

Key Indicator 1:

- Continue to develop and embed our OPAL provision
- Tagtiv8 to become more embedded and frequent.
- Continue to promote the Travel Tracker to raise the % engagement across the school in the active travel to school scheme. Yr 6 as a target.

Key Indicator 2:

- Continue to embed P.E and sport procedures and aim towards the gold YST mark and gold School Games mark.

Key Indicator 3:

- We will continue to embed the new curriculum P.E provision and teacher's confidence in delivering it.

Key Indicator 4:

- Look to run our 'give it a go' week again in the 2022-2023 academic year where we bring in a range of local sports clubs to offer the children a range of alternative sports opportunities. Previously we've had sports such as speedway cycling to Taekwondo.

Key Indicator 5:

- Ensure that every child represents the school in a Sports Fixture at some level between years 3-6.

- The profile of P.E and sports has been raised over the last year with P.E and sport opportunities being regular and publicly promoted and success being praised.
- Silver YST mark and School Games mark achieved in the 2020-2021 academic year.

Key Indicator 3:

- The curriculum P.E provision has been completely re-vamped and implemented since Sep 2020 – the curriculum now has clear learning intentions planned, it is progressive across the school building on their prior learning, provides a broad range of sporting experiences and the impact of the P.E curriculum on children’s attainment and skill development is now assessed and tracked.
- All Staff have been provided with high-quality planning written specifically to meet the needs of SH children and support in delivering this curriculum.

Key Indicator 4:

- The Junior Duke Award was introduced in 2020 with 60% of the 60 children who took part completing the award. For 2021/2022 we now have 52 children enrolled.
- In 2021 Cycling Proficiency was been delivered to all of Year 6 and Year 3 by a British Cycling Coach. These opportunities are planned in again for 2022.
- Links with local external clubs (The Tribe Gymnastics Centre, Coventry Swimming Club, CNW netball, tennis, squash and cricket club, Roger

Caseman's Gaelic Football Club, Coventry City Girls Football Club) have been developed. We provide parents and the children with sporting opportunities linked to these clubs regularly.

- New sports/units have been introduced to our P.E curriculum (Sport Speed Stacking, Orienteering, Tag Rugby, Cheerleading, Scootability and Bikeability and Healthy Eating and Lifestyle).
- On-site swimming pool delivered all children with a swimming experience and lessons for years 3 & 4 as well as catch up for Year 5/6.
- Our extra-curricula clubs offer a range of sports the children have access to including: cheerleading, Irish dancing, dodgeball, football, gymnastics, tag rugby, netball and dance.

Key Indicator 5:

- We've taken part in all the Catholic Schools Sports fixtures (football, netball, swimming and athletics).
- SH have won both the netball and football Catholic Schools league for the 2021-2022 season
- Sacred Heart won the Catholic Schools East and overall swimming gala.
- We've taken part in most of the School Games fixtures (gymnastics KS1 & 2, athletics and dodgeball).
- The dance team won the Great British Dance Off regional heats and will be competing in the UK finals in Cheltenham in July.
- We've taken part in the girls and boys Coventry schools football league and the Coventry schools netball league to enable wider competitive participation.
- Our school mini-bus means that we are able to more easily take our children to a range of sporting opportunities on a regular basis.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	60%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	60%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	50%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Have you used it in this way? Yes/No	

Academic Year: 2021/22

Total fund allocated: **£19,591**

Date Updated: 14.03.2022

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.

Percentage of total allocation:
32%

Intent	Implementation	Impact	Impact	
<p>Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:</p>	<p>Make sure your actions to achieve are linked to your intentions:</p>	<p>Funding allocated:</p>	<p>Evidence of impact: what do pupils now know and what can they now do?
