Issue 35:
Friday
1st July
2022

Dear parents, children, staff and parishioners,

Thank you to everyone that supported our Garden Party 2022

It was wonderful to finally witness the great Sacred Heart community spirit again!

We raised a grand total of **£3000 profit** which was amazing – thank you 😊

This money will now go into our School Fund bank account to enable us to purchase exciting things and treats for the children next year. Your support is always appreciated. Again, a huge thank you to all our wonderful staff and PTA for organising and running the community event.

For all children, next week will bring with it a chance to catch a glimpse of the future and experience what life might be like in September. Wednesday will be our transition morning and, I'm sure the children are all excited to meet their new teachers. The morning, on Wednesday, will not only provide them with a chance to look ahead to next year, but to look back upon the year gone by and reflect upon all of the amazing things they have achieved and overcome. They will also have the chance to share many of their successes with their new teachers and think about how they may build upon these next year. Each class will reflect on the theme of 'a new beginning' and will speak about the new year as a fresh start and the chance to work towards something brilliant together as a team. And, that there, is what makes us special at Sacred Heart. No matter what we have to come; the hurdles we may have to face; the challenges that come our way – we do so knowing that we are never alone. For we know that we always have someone around us to guide us and support us – our classmates, our teachers, our Sacred Heart family. And we know that it is in our togetherness that we are able to achieve more. So, as we near the end of this final term, I encourage all children (and staff) to enjoy the ending of one chapter and to look forward with excitement to the new chapter that is to come in September and to trust in the magic of new beginnings.

** Music Concert for Parents **

Mr Shepherd led the children who had guitar/piano lessons in a wonderful sharing celebration of their musical talents on Monday this week. It was a perfect opportunity to see how their music skills had developed over the year and for the whole school to enjoy their talents and join in with some singing.

Dazzling Dancers!

Our dancers, singers and cheerleaders took to the stage on Wednesday in a Dance Showcase Performing at Cardinal Wiseman, they took to the stage to share their skills they had been working on during the year. The children were confident, had stage presence and showed a real enjoyment for performance. We are very proud of them and loved seeing them shine on stage.

SATs ARE OVER!

Year 6 SAT results

We are expecting the official results for the children at some point (week beginning 4th July). We will process the details and we hope to give the results to the children by Monday 18th July. Good luck children, I am sure you have achieved great things!

Playground Gates Reminder

During the morning drop off, there are an increasing number of children and parents coming onto site before 8:40am. Please can I ask you to wait outside of the main gates, as we have a number of children running in and out of cars and using the vehicle gate entrance – this is very dangerous and could cause an accident. Please do not use the vehicle gate to gain access to the school site. Thank you

Rise and Shine Reminders

We have noticed some parents have been dropping their children off by the school gate without coming inside to sign in. We would like to remind you that for safety reasons, parents must sign in & out when dropping or collecting their children. Additionally, no parents are allowed to bring their cars in to the staff car park at any time of the day. Lastly, the use of mobile phones is not permitted in the club when collecting & dropping kids off.

We are also including the **attendance data** for the whole year, detailing which children have met the target of 97% attendance. All documents will be presented in a sealed envelope and given to your child to take home at the end of the day. We would be grateful if you could send back your comment slip for your child's school file. Thank you.

End of Year Data/Attendance

On the same day, (Monday 18th July), we will be sending home your children's end of year data, detailing if your child is working at the expected level, at a greater depth or working toward the expected level. Children in Year 6 will also be bringing home their SATs results. Children in Year 1 and Year 2 will bring home their results from their phonics tests. Children in Year 4 will bring home their Multiplication Check results. These results will be carried forward into the next year group, ready for September 2022. Well done to all the children for working so hard over the past year – we are very proud of you. ☺

Parent/Carer Survey - Your Voice Matters!

Here at Sacred Heart, we strive to provide a high-quality education in which all our pupils reach their God-given potential; your view is important in providing feedback on how well we are achieving our vision. To this end, we are delighted to share our fifth annual survey to parents/carers across all eight schools within The Romero Catholic Academy. It will close on Friday July 15th, 2022.

The link can be found here: <https://www.surveymonkey.co.uk/r/Romero2022>

We would like to take this opportunity to 'thank you' in advance for completing our survey. As always, the survey will be analysed at school level and across Romero, as the results will be collated and viewed by the Board of Directors. We will share the responses and the key themes emerging in Autumn with a 'You said, we did' update in our newsletter.
