Dear Parents and Carers,

Relationship and Health Education (RHE) is a statutory subject in all Primary Schools and is delivered as part of our PSHE curriculum. At Sacred Heart, we follow the Life to the Full programme, which is produced specifically for Catholic schools by the Catholic educational organisation, Ten Ten Resources.

The Life to the Full programme is based on the structure of 'A Model Catholic RSE Curriculum' by the Catholic Education Service. This model curriculum was highlighted as a work of good practice by the Department of Education so we therefore have confidence that the programme will be fit for purpose in supporting the growth and development of your child.

Life to the Full is much more than a series of lessons. It is an entire platform of creative resources that will engage, inform and inspire our children. This includes interactive video content, story-based activities, employing a wide range of teaching tools, original worship music and an accompanying programme of classroom prayers.

In addition, there is an online parent platform so that you, as parent and carers, can engage with the teaching and deepen the experience for your child. To access the online parent platform please visit: www.tentenresources.co.uk/parent-portal

Please see attached a booklet which will help to give you an overview of the structure and content of the programme.

Life to the Full is intended to be a partnership between home, school and church. We know that you already do a fantastic job and we see the programme, Life to the Full, as a means to further develop, support and enrich the partnership between home, school and church.

Kind regards

Mrs Ellis
(Principal)
